## Clinic Payment Policy

Snoqualmie Valley Hospital District (SVHD) believes that a good medical provider/patient relationship is based on good communication. We strive to provide information to our patients that clearly describe any illness, diagnosis or course of treatment. We also want to provide timely, accurate information regarding the billing arrangements we use in our practice.

Our offices are contracted with more than thirty medical insurance companies including individual, group, and HMO carriers. If you are a member of one of these plans we will bill your insurance company directly. If your insurance plan requires a co-pay or deductible for the services you receive we will collect these amounts at the time of service.

If your particular insurance plan is not one of those that we are contracted with you may still ask us to bill the company, however, insurance companies typically require that the patient pay a larger percentage of the bill if they receive services outside their contracted network. For services rendered inside or outside a particular network the co-pay is still paid at the time of service.

To determine if your insurance plan is currently contracted with SVHD please call our Clinics Billing Office at (425) 831-2310.

If you are not covered under an insurance plan you are expected to pay in full at the time of service unless payment arrangements are made prior to the service. A \$75.00 pre-payment will be collected before services are rendered. Our Clinics Billing Office is open during normal business hours (8am to 5pm) and will assist in developing a payment plan if that is required.

You may be dismissed from care for a delinquent account. We are required by state and federal regulations to employ every reasonable means to collect for our service. State regulations also require that collection fees are added to the past due amount and that they be paid by the person(s) responsible for the debt.
