

Foundation Board of Trustees Role Description

Welcome to the Snoqualmie Valley Health Foundation, an independent 501(c)3 organization dedicated to supporting the vital healthcare initiatives of Snoqualmie Valley Health (SVH). As a Trustee, we invite you to join us in making a positive impact on the health and well-being of our community.

Mission

The Snoqualmie Valley Health Foundation is committed to advancing the mission of SVH by fostering community engagement, philanthropy, and strategic partnerships. Together, we strive to enhance the quality of healthcare services and ensure their accessibility to all residents of the Snoqualmie Valley Health district.

Become a Trustee

We are actively seeking passionate individuals to join our Board of Trustees. As a trustee, you will play a crucial role in guiding the direction of the Foundation, shaping its giving programs, and ensuring the effective allocation of resources to support SVH's healthcare initiatives. By becoming a trustee, you will have the opportunity to contribute your expertise, network, and resources towards improving healthcare in our community.

Developing Giving Programs

At the Foundation, we believe that everyone has the power to make a difference. We encourage you to help us develop impactful giving programs that address the diverse healthcare needs of our community. Whether you are an individual, a business, or an organization, your contributions can help fund life-saving equipment, innovative healthcare programs, and initiatives aimed at improving the overall well-being of our community.

Affiliation with SVH

While the Snoqualmie Valley Health Foundation is closely affiliated with Snoqualmie Valley Health, it operates as an independent 501(c)3 organization. This independence allows us to work collaboratively with SVH while maintaining our own strategic focus, fundraising efforts, and governance structure.
