Section 504 states, in part, that “no otherwise qualified disabled individual shall solely by reason of his/her disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance . . .” The law and regulation may be examined in the human resources department, who has been designated to coordinate the efforts of King County Public Hospital District #4 to comply with the regulations.
 - a. A complaint should be in writing, containing the name and address of the person filing it, and a brief description of the alleged discriminatory act.
