## **Clinic Payment Policy**

Snoqualmie Valley Hospital District (SVHD) believes that a good medical provider/patient relationship is based on good communication. We strive to provide information to our patients that clearly describe any illness, diagnosis or course of treatment. We also want to provide timely, accurate information regarding the billing arrangements we use in our practice.

Our offices are contracted with more than thirty medical insurance companies including individual, group, and HMO carriers. If you are a member of one of these plans we will bill your insurance company directly. If your insurance plan requires a co-pay, co-insurance or deductible for the services you receive, we will collect these amounts at the time of service.

If your particular insurance plan is not one of those that we are contracted with you may still ask us to bill the company, however, insurance companies typically require that the patient pay a larger percentage of the bill if they receive services outside their contracted network. For services rendered inside or outside a particular network the co-pay is still paid at the time of service.

To determine if Snoqualmie Valley Hospital is currently contracted with your insurance plan, please call our Billing Office at (425) 831-2310.

If I am currently not covered by an insurance plan, I will be personally responsible for payment. I understand if my income is within 100%-300% of Federal Poverty Guidelines, I may be eligible for a discount on services. A copy of the full payment policy or financial aid policy is available upon request at the reception desk. The full Financial Aid policy and application are also available on our website: <http://snoqualmiehospital.org>. For more information on understanding your bill, setting up a payment plan, financial aid, or applying for Medicaid, please contact our billing office at 425-831-2310.

You may be dismissed from care for a delinquent account. We are required by state and federal regulations to employ every reasonable means to collect for our service. State regulations also require that collection fees are added to the past due amount and that they be paid by the person(s) responsible for the debt.
